in the area to which the scheme is applicable, and
for the purpose of satisfying itself as aforesaid the
Board shall have regard both to the number of
persons represented and to the quantity of the
product produced by them in that area during some

prise the marketing board to administer the
scheme and the basis of their selection:

Products Marketing Act, 1934," of the
Dominion is in force or is contemplated in
respect of the natural product proposed to

sible after the scheme takes effect:

(b.) For requiring that no producer shall be
entitled to vote or hold any official position
in respect of the scheme unless he is so
registered:

proposed scheme and any objections or representa-
tions duly made with respect thereto, may modify
or amend the scheme with the approval of the per-

sons submitting the same or their authorized representatives, and may cause a notice of the scheme to be published in The British Columbia Gazette and in such newspaper circulating in the area of the scheme and in such form and manner as the Board may direct. The Board may also hold or cause to be held a public meeting of all producers upon such notice as the Board may direct for the purpose of hearing representations for or against the proposed scheme. The Board may also, before approving the scheme if it deems expedient, require that a poll be taken of all producers and state the necessary percentage of votes in favour of the scheme necessary to warrant its further consideration, having regard to the number of voters and the quantity of the natural product produced in the area of the scheme.

Disapproval by the Board.

9. The Board may disapprove the scheme if:—

- (a.) The persons submitting the scheme or their authorized representatives fail to agree on the modifications or amendments thereto as suggested by the Board; or
- (b.) The Board is of opinion, from the result of a public meeting or poll of producers held, that a proper majority of producers is not in favour of the proposed scheme.

In the event of such disapproval, the Board shall submit the scheme, with a full report as to the reasons for disapproval, to the Minister of Agriculture for such further action as he sees fit.

Approval by the Board.

10. Upon the approval of the scheme by the Provincial Board, it shall submit the same to the Minister of Agriculture for the purpose of having the scheme authorized and the marketing board appointed by the Lieutenant-Governor in Council pursuant to the provisions of the Act.

Authorization of Scheme.

11. In authorizing a scheme and appointing a marketing board to administer the same, the Lieutenant-Governor in Council may provide that the scheme shall take effect and the marketing board shall be appointed upon such date and after such publication in The British Columbia Gazette and newspapers circulating in the area of the scheme as specified in the Order in Council.
